ABOUT US

We are an organization that has a big passion; to be the best at serving the community with Addiction Recovery support. The Rose Garden Recovery Community is a not for profit ministry whose mission is to transform the lives of women held captive by drug and alcohol addiction by providing a safe and structured Christian community for guiding and equipping individual pursuit of free, sober, and productive living.

Recovery Home

OUR VISION

Our vision is to see women remain in recovery as they successfully reunite with family, return to their community, and establish healthy relationships.

OPTIONS

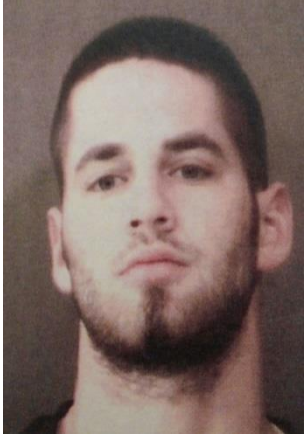

Recovery is not a one-size fits all. That is why we offer:

- Community Services
- Residential Program
- Transitional/Graduate Home
- Aftercare

OUR COMMUNITY

Our homes are just that; homes. We seek to provide a safe, caring environment where women can recognize the value and potential that God sees in them.

About Tommy

Tommy Streeter was born and raised in Warsaw, Indiana. His struggle with substance use began around age 12, but his battle with his own mental health started long before that. After finally sustaining sobriety and long-term recovery at age 25, Tommy has devoted his life to helping others who struggle like he did to find recovery themselves.

Tommy is now the Regional Director of Community Outreach at Fort Wayne Recovery and Allendale Treatment, as well as Vice Chairman of the Kosciusko Coalition on Drug Education and member of Drug Free Kosciusko, a featured speaker with RemedyLive, and a Co-Founder of Bare Knuckle Recovery.

*“One day, I just knew;
I couldn’t help him.
I hoped and I prayed,
one day
I’ll be able to breathe.”*
